Summary

Engineering taught me how to think, but curiosity taught me how to grow.
I love building things – not just products, but skills, ideas, and possibilities.
Every day, I aim to move one step closer to becoming the person I've always wanted to be.

Experience

Kores India Ltd 02/05/2020 - 12/08/2020
Employee
<https://kores.in/>
Ahmedabad

In Kores India Limited company we used to do data entry of Kotak and Axis Bank cheques. I did this job during the lockdown. This job experience was very different for me. It improved my computer typing speed and also improved my knowledge regarding Excel

Qspiders 27/07/2023 - 13/08/2023
Intern
<https://qspiders.com/>
C.G. Road

I have done my summer Internship of 7th Semester in Qspiders. There I learn about Python, Web Development, SQL and Manual Testing.

Brainybeam Info-Tech PVT LTD 15/01/2024 - 15/07/2024
Intern
<https://www.brainybeam.com/>
Income tax cross road

In Brainy Beam Info-Tech I enhance my knowledge regarding Android , Android Studios, PHP, Mysqlite Database , API Creation.

Neomenta Pvt Ltd 01/06/2024 - Present
Business Analyst & Senior Automation Developer
<https://neome.ai/>
Bopal Ambli road

In Neome I'm Responsible for gathering and analyzing client requirements, designing and developing automation workflows tailored to business needs. Actively involved in coding, front-end implementation, and system optimization to ensure seamless functionality and scalability. Collaborated closely with clients and internal teams to deliver efficient, user-focused digital solutions.

Education

Gujarat Technological University BE
Gandhinagar
7.98 CGPA
<https://www.gtu.ac.in/>

Projects

Road Side Assistant
The Android app based on JAVA swiftly locates mechanics using GPS, providing users with nearby service options, streamlining the process of finding reliable assistance during vehicle breakdowns.

Insight Zone
An online notes website for students provides digital note-taking, collaboration, and accessibility with integration, search, customization, security, and supplementary learning resources.
